

Realizing the Benefits of the Financial Transparency Act

Wednesday, April 8, 2020
2:00 pm – 2:45 a.m.

DATA COALITION

Who We Are

- The Data Coalition is America's premier voice on data policy.
- A **membership-based** business association.
- We advocate for responsible policies to make government data high-quality, accessible, and useable.

Speakers

John Bottega

President
EDM Council

Corinna Turbes

Policy Manager
Data Coalition

The Financial Transparency Act Key Provisions

- Directs all eight US financial regulatory agencies to adopt consistent data standards
- Mandates the adoption of a legal entity identifier
- Publish Open Data
- Streamline data reporting

Implementation

- 2 years to develop data standards
- 3 years for agencies to implement

Discussion with John Bottega, EDM Council
